60 Capsules

120 Capsules

### CURA+ PROPOLIS

#### Propolis Food Supplement (Capsules)

Propolis is one of the richest sources of flavonoids, natural antioxidants whose main role is to help maintain a healthy immune system. It also contributes to protecting the body from infections.

### CURA+ MORINGA

#### Moringa Food Supplement (Capsules)

With remarkable nutritional and fortifying qualities. A valuable plant in herbal medicine, Moringa is a superfood with exceptional properties. Rich in calcium, potassium, iron, vitamins, and plant-based proteins.

### CURA+ SPIRULINE

#### Spirulina Food Supplement (Capsules)

Spirulina is a natural source of essential nutrients and micronutrients: 12 vitamins, minerals (iron, magnesium, calcium, etc.), essential fatty acids, phycocyanin, beta-carotene...

It supports the body's resistance, helping to boost vitality and energy.

## CURA COLLAGENE

*Skin, hair, and joint health*

Eggshell membrane collagen 300 mg

10 ml Vial

### CURA+COLLAGENE

#### Eggshell membrane collagen

Food supplement made from dry extract of pure eggshell membrane, a natural source of collagen (types I, V, and X), elastin, hyaluronic acid, glucosamine, and chondroitin. The repairing and soothing Calendula extract helps care for damaged, sensitive, or mature skin.

Vitamin E, a powerful antioxidant, protects the body's cells from oxidative stress. CURA COLLAGENE supports skin elasticity and firmness, strengthens hair and nails, contributes to cartilage regeneration, and reinforces joint health.
